

CARBON CALCULATOR DATA CHECKLIST

This checklist has been developed to help you gather the information you will need to complete the carbon calculator. **You do not need to have information for every item listed below.**

In the case that you do not use a fuel source or own a certain type of vehicle, please enter a zero (0) that will indicate “not applicable.”

Where applicable, write down your answers in the blanks provided so your information is ready for you when you want to complete the carbon calculator.

Information Needed to Complete the Carbon Calculator:

1. BUILDINGS

	Check if gathered:	Data to enter in the carbon calculator:
Is this a permanent residence?	<input type="checkbox"/>	_____
Is this a seasonal residence?	<input type="checkbox"/>	_____
Is this a commercial building?	<input type="checkbox"/>	_____
Is this an industrial facility?	<input type="checkbox"/>	_____
Months Occupied (if seasonal)	<input type="checkbox"/>	_____
# of usual occupants	<input type="checkbox"/>	_____
Yearly Electricity Usage (kWh)	<input type="checkbox"/>	_____
Yearly Natural Gas Usage (m ³)	<input type="checkbox"/>	_____
Yearly Propane Usage (L)	<input type="checkbox"/>	_____
Yearly Fuel Oil Usage (L)	<input type="checkbox"/>	_____
Do you use wood for heating?	<input type="checkbox"/>	Yes / No

If you entered ‘No’ for the question above, record ‘N/A’ for the rest of this section:

Type of Woodstove or Fireplace	<input type="checkbox"/>	_____
Yearly Wood Usage (Cords or Pellets)	<input type="checkbox"/>	_____

2. On-Road Vehicles

Check if gathered:

Data to enter in the carbon calculator:

Do you own or lease a vehicle?

Yes / No

If you entered 'No' for the question above, record 'N/A' for the rest of this section:

of cars owned or leased

of trucks/vans owned or leased

of PHEVs owned or leased

EVs owned or leased

of motorcycles owned or leased

of hybrid vehicles owned or leased

Year of each vehicle owned or leased

Brand of each vehicle owned or leased

Model of each vehicle owned or leased

Fuel type used for each vehicle

Yearly distance travelled (KM) for each vehicle

3. Off-Road Vehicles

Check if gathered:

Data to enter in the carbon calculator:

Do you own an off-road vehicle?

Yes / No

If you entered 'No' for the question above, record 'N/A' for the rest of this section:

of off-road vehicles owned

Types of off-road vehicles

Engine cubic centimetres (CCs) for each vehicle

Engine Cycle (2-stroke or 4-stroke) for each vehicle

of yearly operating hours for each vehicle

4. Watercraft

Check if gathered:

Data to enter in the carbon calculator:

Do you own a motorized watercraft?

Yes / No

If you entered 'No' for the question above, record 'N/A' for the rest of this section:

of watercraft owned

Engine horsepower for each watercraft

Fuel Type for each watercraft

of yearly operating hours for each watercraft

Type of watercraft

5. Waste

Check if gathered:

Data to enter in the carbon calculator:

of large garbage bags produced in a month

Food waste (as a %)

Plant waste (as a %)

Paper waste (as a %)

Wood waste (as a %)

Textiles waste (as a %)

Plastic waste (as a %)

Other waste (as a %)

Do you compost on-site?

Yes / No

Support for local composting facility

Yes / No

6. Planning

Check if gathered:

Data to enter in the carbon calculator:

Your 2030 emission reduction target

Your 2050 emission reduction target

Your desired community climate actions (Comment Box)

7. Demographic

Email (optional)

Municipality / First Nation in the region

Check if gathered:

Data to enter in the carbon calculator:
